PETITION UNDER 37 CFR § 181

Sir:

Applicant hereby petitions to have the Notice of Abandonment dated January 8, 2009 withdrawn and the above-identified application revived.

STATEMENT OF FACTS

1. A Notice of Allowance was entered in this case on September 10, 2008, accompanied by a Notice of Allowability that contained a requirement to file corrected formal drawings.
2. However, on August 12, 2008, prior to the mailing date of the Notice of Allowance, Applicant had already submitted four replacement sheets of new corrected formal drawings.

3. Attached are copies of the corrected formal drawings, together with a copy of the Electronic Acknowledgement Receipt substantiating the submission of the Replacement Drawings.

CONCLUSION

Accordingly, it is respectfully submitted that the above-noted Notice of Abandonment was issued in error and should be withdrawn. Favorable consideration is respectfully solicited. No fee is believed to be required by this petition.

Respectfully submitted,
